

TOP SECRET**TOP SECRET****SUBJECT: Rescheduling of Eagle Mission**

50X1

1. There is nearly a complete absence of information concerning the identification and location of Radars in the DRV.

50X1

50X1

2. It is requested that Eagle mission flight be rescheduled to provide more precise locations and identifications of the 15 known Radars of the DRV. Rescheduling of this flight is more than justified especially considering the present situation in Southeast Asia.
